MEDIA ALERT

U.S. CIVIL AERONAUTICS BOARD CHAIRMAN AT USD

Continental Airlines' recent decision to file bankruptcy notice in an effort to dissolve its employees' union contracts raises significant questions about the impact of deregulation on the airline industry.

On October 10, Dan McKinnon, chairman of the U.S. Civil Aeronautics Board, will address the Continental situation in a lecture at the University of San Diego School of Law. The lecture, entitled "Airline Deregulation at Work", will be held inside Grace Courtroom, third level, at 12:30 p.m. and is free to the public.

McKinnon, a native San Diegan and owner of radio station KSON AM-FM, was appointed to his government post by President Reagan.

For additional information, call Bill Becker, Public Relations, at 291-6480.
